New deals worth EUR 31.8 million sealed

AD Plastik Group has sealed additional deals worth **EUR 22.4 million** with the Renault-Nissan-AvtoVAZ Alliance in the Russian market as well as new deals with the PSA Group in the European market with a total value of **EUR 9.4 million**.

AD Plastik Togliatti factory will be producing absorbers and exterior pillar trims for the new model Lada Granta as well as front bumper lower grills for the new vehicle models Renault Logan and Sandero. The start of serial production is planned for the second and third quarters of 2021, and the estimated duration of the projects is eight years. The total value of the deals sealed for the vehicle Lada Granta amounts to **EUR 15.2 million**, and for new Renault models - **EUR 7.2 million**.

The AD Plastik Group factory in Mladenovac will be producing glass run channels for Opel Astra, with serial production scheduled to begin in the fourth quarter of 2021, and with an estimated project duration of eight years. The total value of these deals amounts to **EUR 5.8 million**. Exterior components for Fiat Ducato and Opel Vivaro commercial vehicles will be produced in Solin, and a total value of these deals amounts to **EUR 2.2 million**. The start of serial production is also planned for the fourth quarter of 2021 with an estimated project duration of two years. Air extractors for the vehicles Peugeot 308 and Opel Astra will also be produced in Solin, with a project value of **EUR 1.4 million**. Start of serial production is planned for the first quarter of 2021 with an estimated project duration of seven years.
