Announcement about the impact of the COVID-19 virus on business

In accordance with ESMA's guidelines for disclosing the impact of the COVID-19 virus on business, we hereby inform the investment public that as from tomorrow, April 28, 2020, one of our main customers, Revoz from Slovenia, will continue its business operations. Production in Revoz will take place in one shift for the first week, and capacities of our factories in Croatia will adapt accordingly.

Hella also started its business operations, and Renault Russia and Volkswagen as of today have continued its production in Russia. All customers will initially be working with reduced capacities.
